Homeless?

At risk of becoming homeless?

If you are homeless or are at risk of becoming homeless, you may be eligible for short-term help from the **HEADING HOME** program.

- If you have had a temporary loss of income;
- If your income has been reduced; or
- If you have been unable to find or afford suitable housing; and
- If you have exhausted all other sources of assistance in the community—

HEADING HOME may be able to help.

Call: 1-866-669-1688

HEADING HOME may be able to help with:

- **HOUSING SEARCH AND PLACEMENT**
- **LEGAL SERVICES**
- **SHORT-TERM RENT AND UTILITY PAYMENTS**
- **SECURITY DEPOSITS**
- **MOVING AND STORAGE COSTS**

It is important for you to know that **HEADING HOME** does not provide any direct financial assistance to individuals.

Instead, if you are eligible for services under **HEADING HOME**, payments can be made, on your behalf, to a qualified landlord, utility company, or moving service.

In addition to short-term financial assistance, the **HEADING HOME** case managers will work to connect you to other services and supports in our community that can be helpful to you in maintaining your housing.

Please call **1-866-669-1688** and we can give you more information on how to apply.

Or, stop in at any community agency that helps with food, rent, or other emergency needs, and ask about the **HEADING HOME** program.
